# ECF GRANTED MORE THAN \$192,000 in 2020

## A Note from Our Executive Director

2020 has not been the year that any of us expected. However, thanks to the generosity of donors over the past 38 years, ECF has been able to continue providing grants to the ministries that

our parishes care most about at a time when financial support is so greatly needed.

- In 2020, the average General Grant was more than \$21,400, a significant investment for our ministry partners. [ECFimpact.org/grants](https://www.ecfimpact.org/grants)

- ECF began a new Ministry of the Month program which allows us to extend our funding to new ministry partners and involve the parishioners of the Diocese in deciding who will receive a \$500 gift each month. [ECFimpact.org/MOTM](https://www.ecfimpact.org/MOTM)

- Whether you plan to give a gift to our annual fund, join us for the 2021 Virtual Hunger Walk Run, or become a recurring monthly donor, your support ensures ECF will be able to continue its work for years to come. [ECFimpact.org/donate](https://www.ecfimpact.org/donate)

ECF cannot do the work we do without the efforts and generous support of the parishioners in our Diocese. I can't wait to see what we can accomplish together in 2021!

Blessings,

*Lindsey E. Hardegree*

While our parish visits have been suspended this year due to COVID-19 precautions, ECF has continued serving as a resource for those wishing to plan a legacy gift to benefit their parish as well as the poor and oppressed for generations to come.

In a time of great uncertainty, many people are taking this opportunity to formalize their wishes, including supporting the future of the Church. If you are interested in learning how to make a legacy gift or would like discuss how ECF can help your parish's legacy giving efforts, please contact Lindsey Hardegree and learn more at: [ECFimpact.org/legacy](https://www.ecfimpact.org/legacy)
